

NUVIA

POINTMAN

LOCK IN A MORE SECURE CARD PRINTING SOLUTION.

You can simplify your card printing without giving up quality and security. The **POINTMAN NUVIA** direct-to-card printer produces vibrant color, edge-to-edge printing, and security features to issue professional-looking cards instantly.

LOCKED ENCLOSURES.

Protect unauthorized access with multiple locks and Kensington lockslot.

SECURE ENCODING.

Magnetic stripe (ISO and non-ISO), contact smart card encoding (EMV, ISO 7816), and contactless smart card encoding (ISO and Mifare).

FAST PRINT SPEED.

190 cards/hour (full-color, single-sided), and up to 140 cards/hour (full-color, dual-sided).

COMPACT.

Lightweight design with the small footprint allow you to operate the **Nuvia card printer** where you need it most.

FLEXIBLE FEEDING OPTIONS.

Innovative dual hopper lets you load up to 200 cards or 2 different types of cards to avoid reloading.

MOBILE ACCESS.

Design and print right from your smartphone or tablet with our mobile app.

SINGLE HOPPER

DUAL HOPPER

USER-FRIENDLY.

Simplicity is built into the design, operation, and user interface.

READY TO RUN.

Your Nuvia comes loaded with Card Designer™ software and printer driver already installed.

RELIABLE.

Pointman offers unmatched protection, with a 5-year warranty on the printer and 3 years on the printhead.

FEATURES

NUVIA FITS YOUR SPACE, YOUR NEEDS, AND YOUR BUDGET.

IDEAL FOR:

- ID badges
- Access control cards
- Bank cards
- Gift cards
- Loyalty cards
- Membership cards

"Are you able to estimate how many cards you issue in an average print job during a day?"

"Do you need to store or encode data on your cards?"

"Do you need to fit your card printer in a tight work space environment?"

"How do you manage your staff and visitor IDs?"
